EPIC MATCHES THIS SUMMER

The Summer of Cricket promises to offer some high-quality international cricket to thrill fans.

Sky Sport will have LIVE coverage of the Australia vs. BLACKCAPS Boxing Day test. Australia have a long tradition of playing great nations in a Boxing Day test and this will be a very special occasion as it will be our first one against the BLACKCAPS in 32 years.

The English team will also be touring New Zealand, October to December. With the BLACKCAPS returning home as World Cup heroes, Kiwi fans will be glued to their viewing seats to see if we can win this series.

Sky Sport will also have LIVE

coverage of other great international match-ups between teams such as: Australia, Pakistan and Sri Lanka.

The New Zealand women's team the White Ferns take on South Africa and we will also have coverage of the ICC Women's T20 World Cup and some great domestic Twenty20 cricket matches in both the Super Smash - Men's and Women's matches in New Zealand as well as the KFC Big Bash in Australia.
